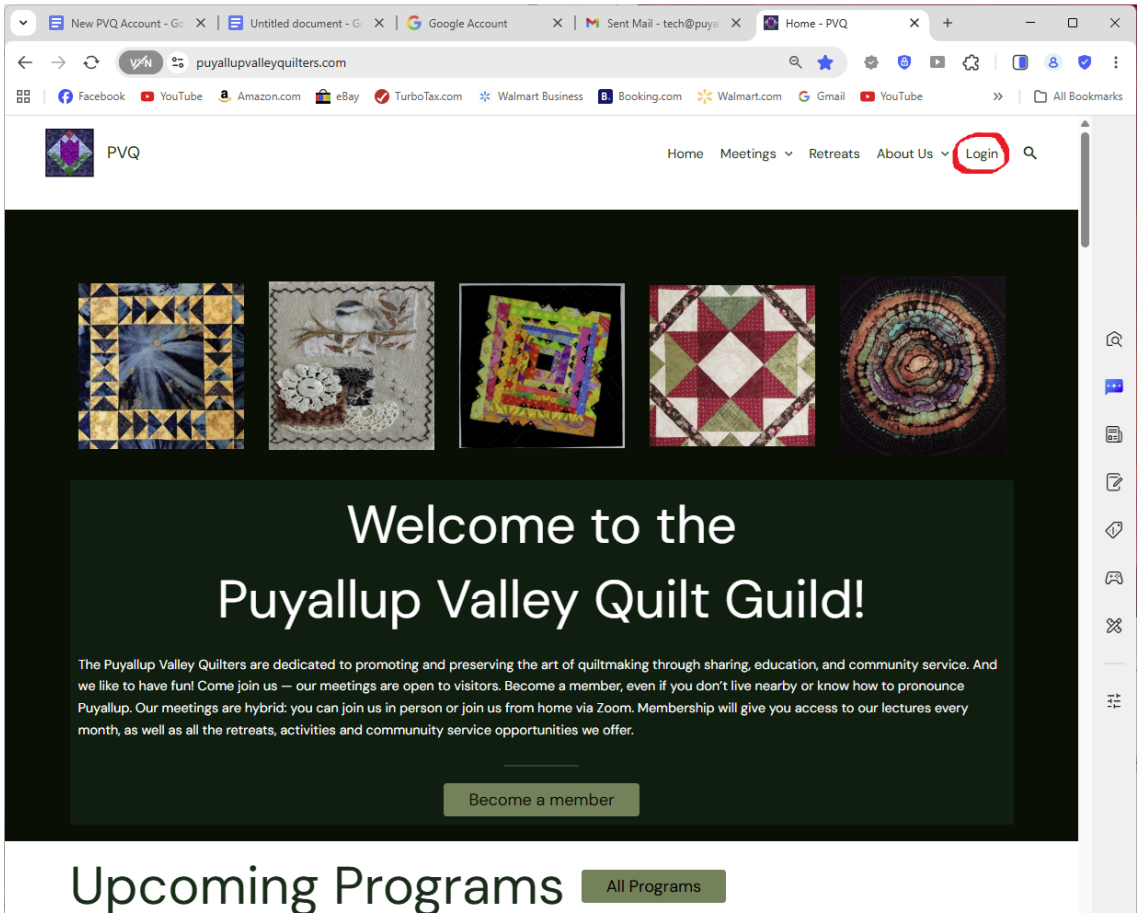
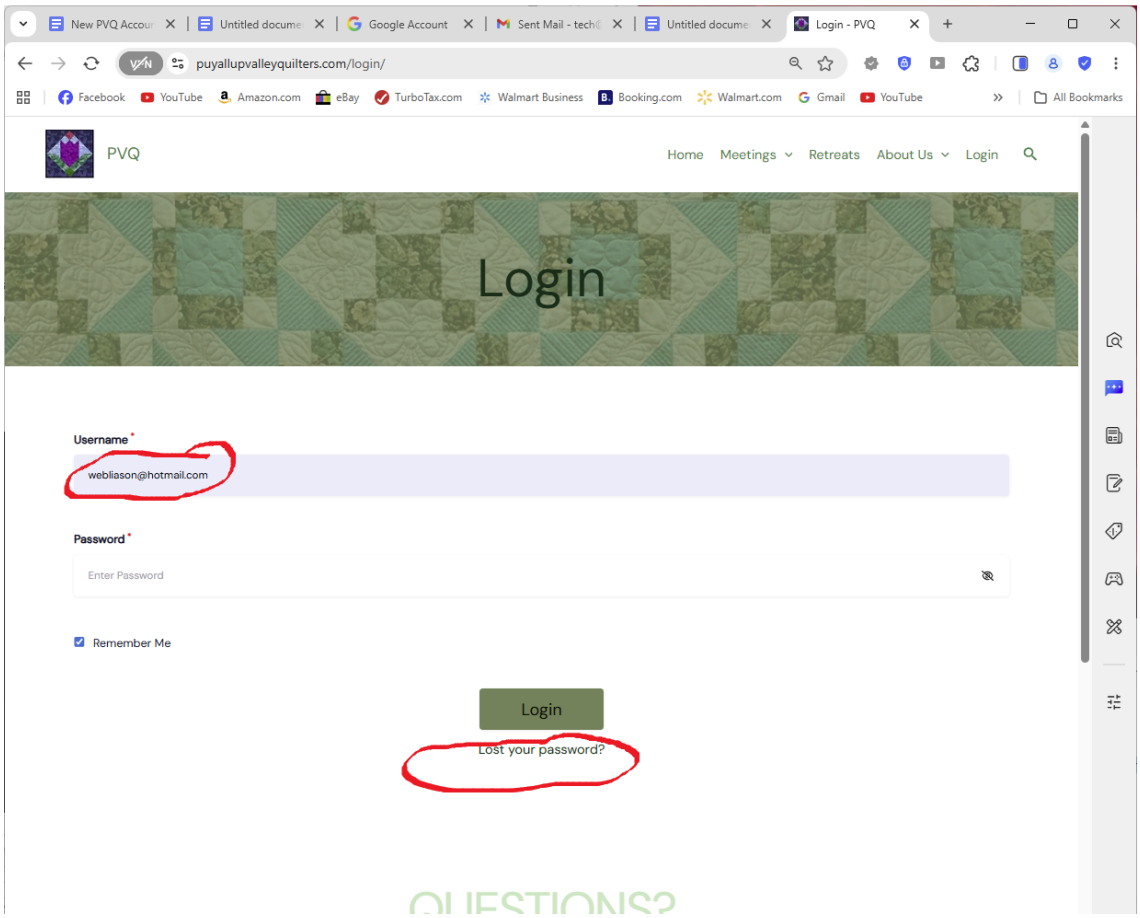
How to create a login account for puyallupvalleyquilters.com website.

1. Go to the website. puyallupvalleyquilters.com
2. Select the Login menu at the upper right hand corner of the screen.

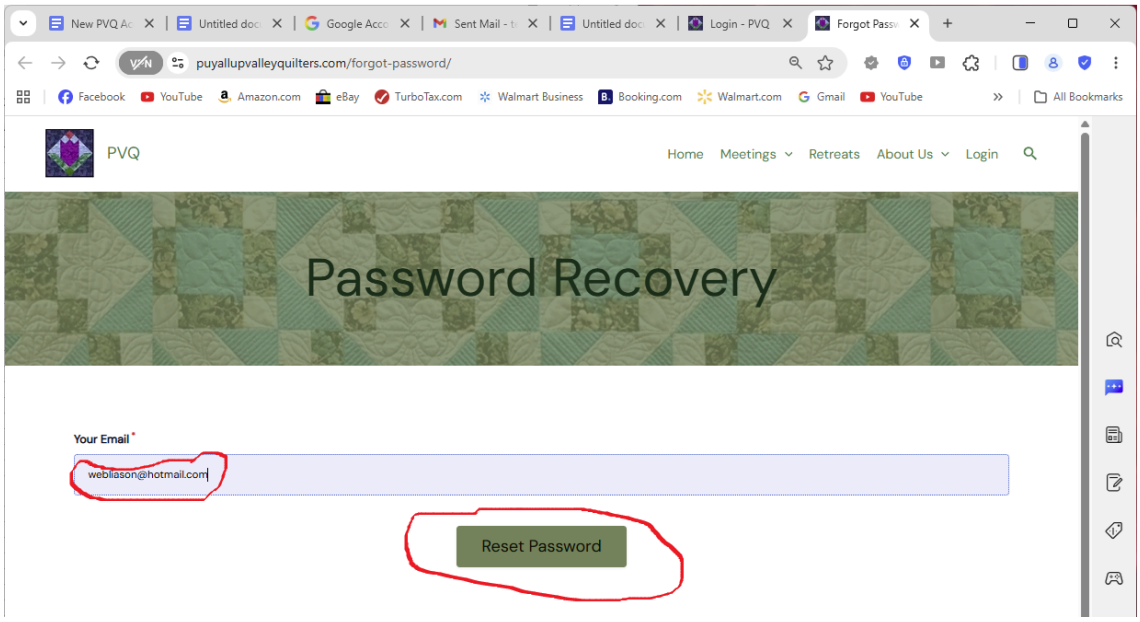


3. You will be presented with a login screen. Specify your username as your email address that is specified in the roster. Then select the **Lost your password?** Text under the

Login button.



4. You will be presented with the Password Recovery screen. Keyin your email address again and select the Reset Password button.



5. You should receive an email with a link in it to reset your password. It will likely be in your trash folder. This is what it looks like in my trash folder.

6. Open the email and select the provided link: **Click here to reset your password**
7. Follow the instructions to set a password for your account. Please use at least 8 characters.
8. In the future, when you get to the login screen, provide your account information and password to login to the website. This will allow you to access member only information.
